*In an ever-changing, ever-growing global community, communication is of utmost importance to economic, educational, and personal development. In order to communicate effectively, we must be equipped with necessary reading, writing, and speaking skills that enable us to participate in the diverse discourse of daily life, regardless of our chosen career paths.*

January 20, 2010

Dear Exhibitors,

The Virginia Association of Teachers of English would like to invite your company to exhibit at our fall conference in relaxing Virginia Beach oceanfront on October 22-24, 2010. We are excited to announce this year's keynote speaker will be NCTE Past President and prolific author on English educational issues Kylene Beers. Other featured speakers are Hampden-Sydney's innovative and first African-American President Dr. Christopher Howard and Maggie Stiefvater, Virginia native and author of the new book, Shiver, and Dr. Bill Boshier, Professor of Public Policy and a former Virginia Superintendent.

VATE is offering the option for sponsorship for our opening Friday night session and the vendor break Saturday afternoon. If you choose to sponsor in any amount or make a door prize donation, your company's name will be highlighted in the conference program. Please complete the attached registration form and send it on to me **by October 15, 2010**. As always, VATE thanks you in advance for your support and we look forward to seeing you at Virginia Beach!

Sincerely,

Chris Woods, VATE Past-President and Exhibit Chair
